HALLWAYS

- › **LAYOUT:** industrial charm across many floors, with original fixtures dating back to varying historical periods
- › **HALLWAYS** with and without natural light
- › **IDEAL FOR:** film and photo shoots
- › **LOCATION:** 'Alte Mälzerei'
- › **INFRASTRUCTURE:** unsecured, toilets in outdoor area, parking facilities, partial mains power supply

Seemingly endless corridors snake their way across four floors in the 'Alte Mälzerei', and they exude a unique, almost mystical charm through their artificial and natural light sources, original patina and historical fixtures.

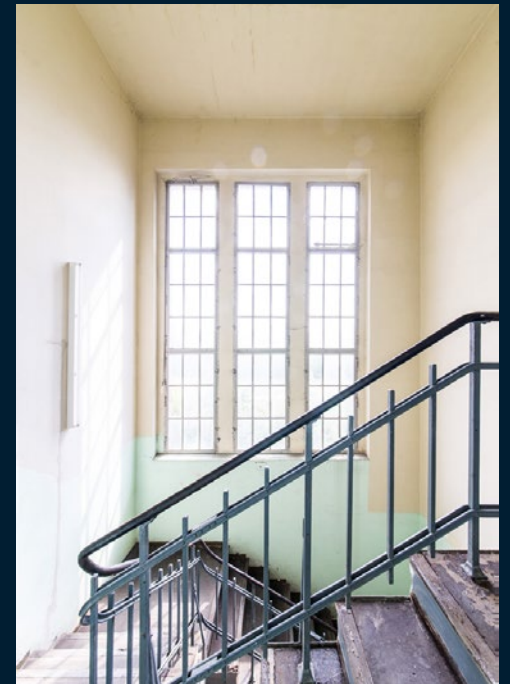

STAIRCASES

- › **LAYOUT:** industrial charm across many floors, and original fixtures dating back to varying historical periods
- › **STAIRCASES** with metal railings, lattice windows and original patina
- › **IDEAL FOR:** film and photo shoots
- › **LOCATION:** 'Alte Mälzerei', 'Kachelhaus', 'Kellerei'
- › **INFRASTRUCTURE:** unsecured, toilets in outdoor area, parking facilities, partial mains power supply

Whether in the 'Alte Mälzerei', the 'Kellerei' or the 'Kachelhaus', you will find staircases with either concrete steps and metal railings, or as entirely metal constructions.

Historic Railroad Station
Built 1880
This station was built in 1880 and was used for many years. It was one of the largest stations in the area and was used for passenger service. The station was built by the Great Northern Railway Company and was one of the most important stations in the region. It was used for many years and was a major hub for the railroad. The station was built with red brick and had large arches. It was one of the most important stations in the region and was used for many years. The station was built by the Great Northern Railway Company and was one of the most important stations in the region. It was used for many years and was a major hub for the railroad.

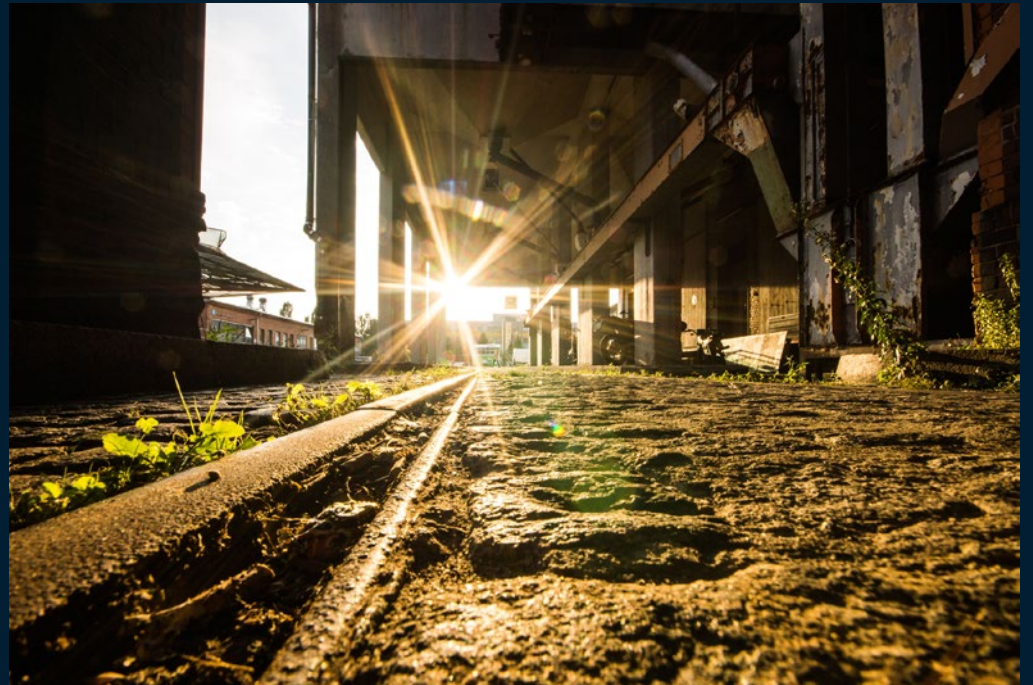

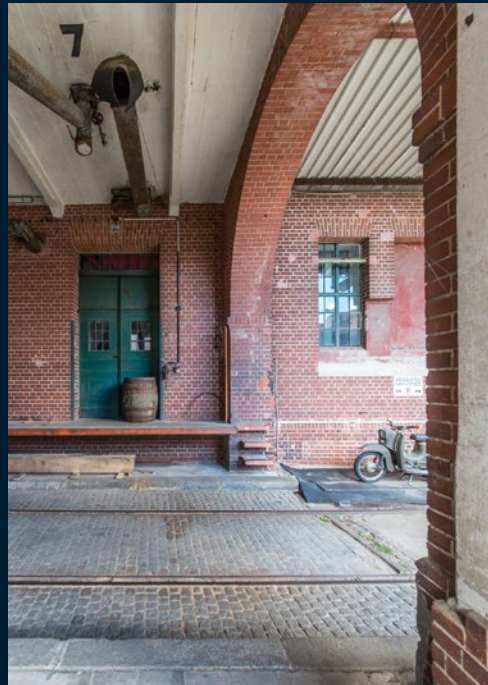

ARCHWAYS

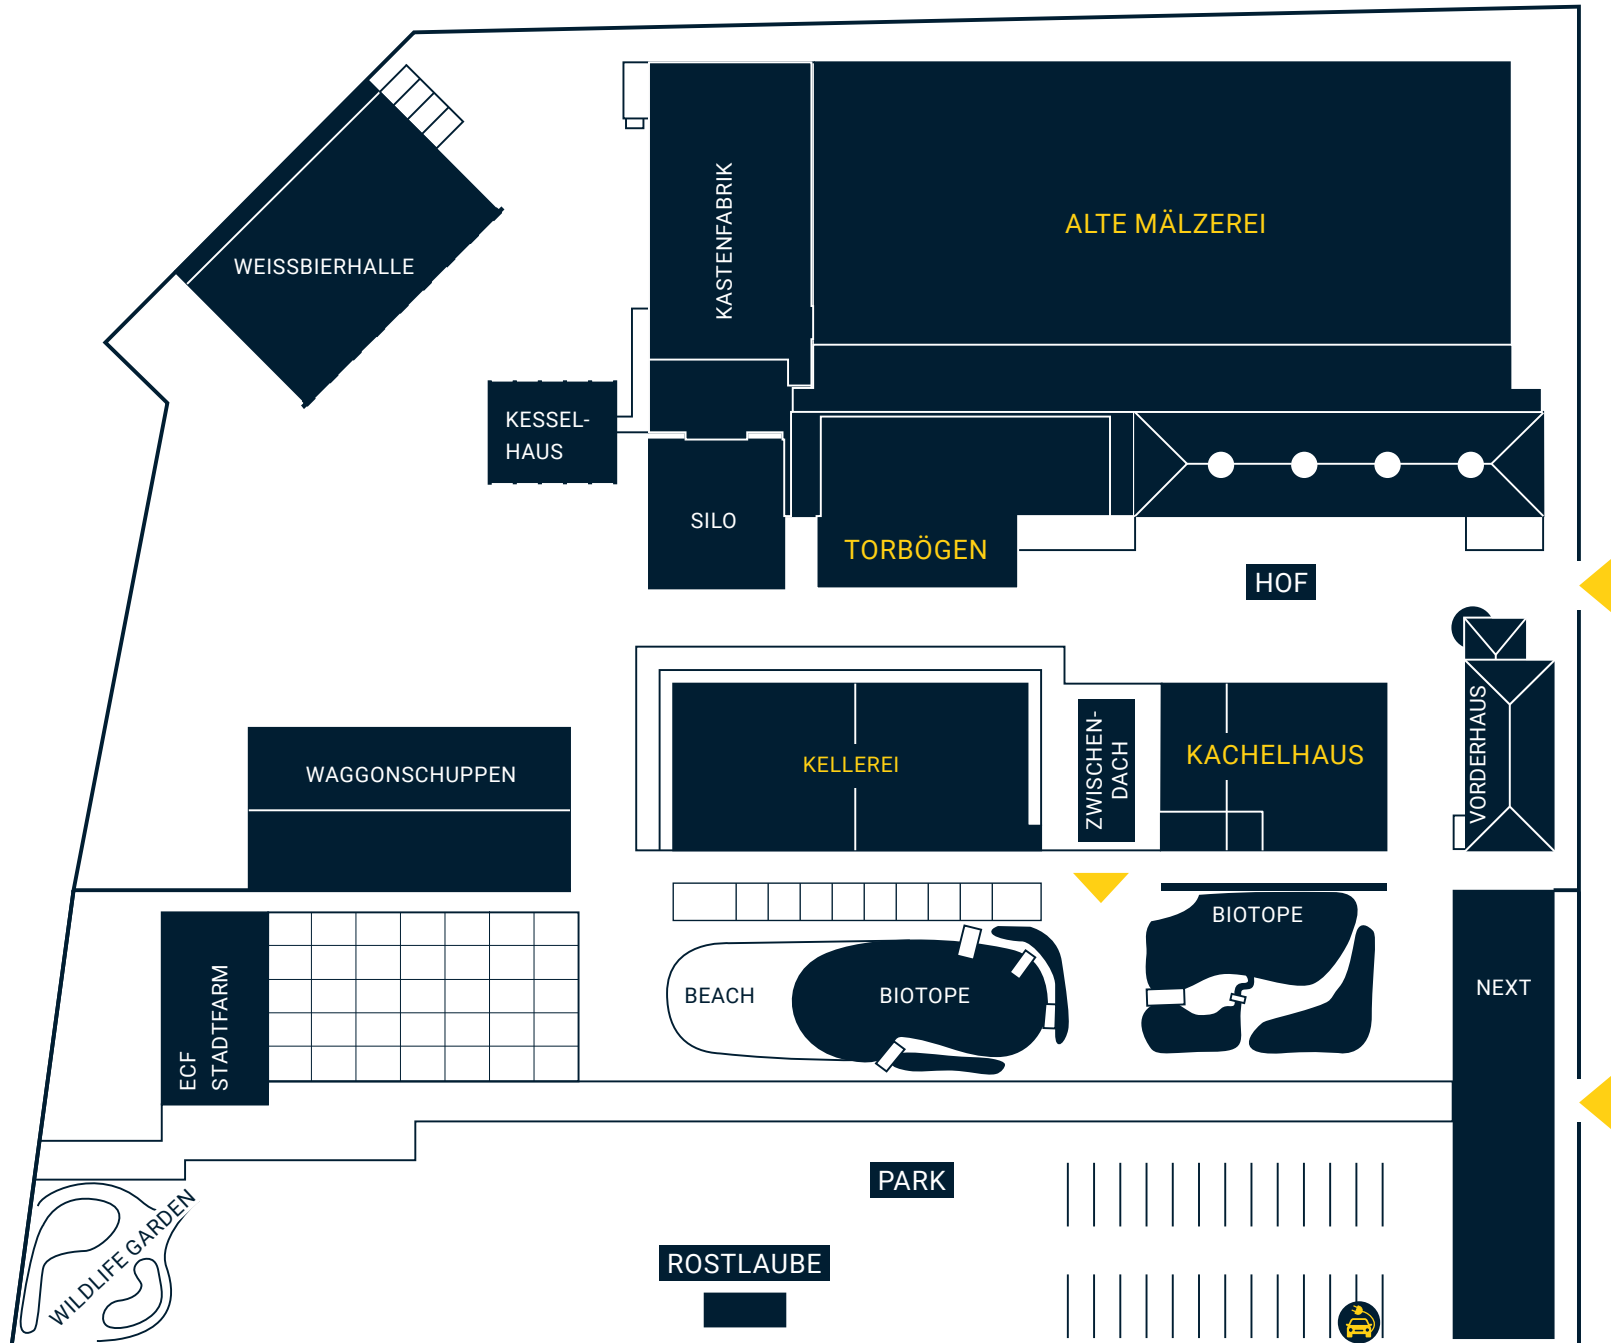

- › **HIGH ARCHES** with red bricks and a ramp with several large, solid steel doors
- › **IDEAL FOR:** film and photo shoots, available for small events on request
- › **LOCATION:** inner yard
- › **INFRASTRUCTURE:** parking space and energy connection on request
- › **RECOMMENDATION:** booking in combination with the courtyard

The 'Torbögen' joined directly to the 'Alte Mälzerei' provide another outdoor shoot location. Integrated into the building with a ramp and made with red clinker bricks and steel girders, the archways form a fascinating construction.

The 'Torbögen' are also available to hire as a unique location for smaller events.
